It takes a whole man to conquer a vicious animal. People may talk about intellectual superiority and refinement and good breeding, but every man takes off his hat to physical strength and endurance. White the man who leads a sedentary life cannot hope, in this respect, to rival these sturdy men of the plains, they can be sound, vigorous, healthy men if they will. It is a matter of care of health while one has it, and the proper measures to restore it when it is lost. Most diseases begin with some trouble of the digestive organs or of the liver. Troubles of this nature starve the body, because they prevent it from receiving its proper supply of nourishment. Dr. Pierce's Golden Medical Discovery gives a man an appetite like a cow-boy's and the digestion of an ourich. Its great work is upon the stomach, large intestines and liver. These are the organs that nourish a man's body. This medicine makes them strong vigorous and healthy. #### A FEW SHORT LINERS,

WHEELING DAILY INTELLIGENCER, TUESDAY, AUGUST 16, 1898.

After having possessed undisputed lead in the National League race almost the entire season up to date, the Cincinnati Reds are this morning compelled to share the lead with the Bostons. Both clubs won yesterday, but the Beaneaters took two from Cleve-

the Beanesters took two from Cleveland, while the Reds were content with
one victory from the Bridegrooms.
Without doubt the Clargs wil, Be in
second place before they return west. It
promises to be a battle-royal between
the leaders now.

Two pairs of double-headers make a
great difference in the standing of
clubs. Testerday morning, flevaland
led Baltimore by what looked to be a
comfortable lead, but as Morday's results included two victories for Baltimore over Pittsburgh, and a pair of defeats for the Wanderria, the positions of
the clubs are reversed, and Baltimore is
now in third place, four points shead of
Tebeau's team.

Altrock is a youngster who would have been pitching for: Wheeling this year but for Torreyson's throw-down of this city last spring. He became Grand Rapids' star twirler, and was recently corralled by Louisville. Yesterday he was stacked up against the Washington nine and pitched his team to victory in time style. The National League has a score or more of Inter-state graduates, nearly all of whom are doing well.

MEETING OF THE LEAGUE.

PHILADELPHIA, Pa., August 15 .-The board of directors of the National League and American Association of Base Ball Clubs held a meeting at the Hotel Walkon here to-day and sustained the forfeiture to the Baltimore club of the New York-Baltimore game of July 25, imposed a fine of 1,000 on the New York club, to be paid to Baltimore, and directed the Baltimore club to suspend Player Bolmes for the balance of the season. The New York club was relieved of the payment to the Baltimore club of any portion of the gate receipts of that date.

In the dispute between the Philadelphia and New York clubs over an alleged agreement for the sale of Catcher Boyle to the latter club, the board decided that the Philadelphia club had no case and the subject was dismissed. League and American Association of
